Federal Communications Commission
Authorization and Evaluation Division
7435 Oakland Mills Road
Columbia, MD 21045

Ref: Application for Change in FCC ID: XEY90164

To Whom It May Concern:

Submitted herewith is an application for Change in FCC ID. We wish to obtain our own Grant of Certification on this product for marketing purposes.

Original FCC Identifier: RAN91064
Date of Original Grant of Certification: 8/31/2006

This model is identical to the original model. There have been no changes to the device. The original test results continue to be representative of and applicable to the equipment with the new FCC Identifier.

Regards,

Howard Rosen
